No change since last time.

Current funds = £ 7711 - 69.

We will receive soon the equivalent of 621 Euros (about £360) the EC subvention for the visit to Feltrina in September.

[NOTE. David, you will remember that I gave £ 7410 as our funds & the various estimates for the Pension. I left out the "post holders' subvention" of about £ 300 in case we ever decide to pay it out & some way. The same applies to the above 621 Euros.]
